Renowned Early Years Educator to Open 3rd Branch in September 2013

Dubai, United Arab Emirates: With the ever growing need for quality Early Years Education in Dubai, Jumeirah International Nurseries (JINS) is opening its third exclusive branch in Downtown Dubai in September 2013. An integral part of Fortes Education, the Nursery will be located at South Ridge overlooking the world's tallest tower Burj Khalifa.

JINS South Ridge will provide high quality active learning programmes and developmental objectives for children aged 6 weeks to 4 years of age. The JINS system is designed to provide a balanced approach to learning, giving parent's peace of mind knowing their child will have fun as they develop socially, emotionally, physically and intellectually. The new branch will also house a wonderful selection of fully-equipped indoor and outdoor areas to help children develop fully whilst they explore the British Early Years Foundation Stage Framework.

Facilities include outside areas, such as grass zones, range of climbing apparatus, as well as inside sand and water play areas and physical activity zone. Well resourced classrooms, the Nursery offers a well-stocked library, interactive area and multipurpose zones. JINS pride and joy is the Zig Zag Zoom indoor edutainment centre, which offers a role play area which is regularly transformed into various activity zones

'JINS is passionate about your child's happiness and growth, and therefore we provide a safe, nurturing environment that cultivates self-esteem. Our Nurseries are designed to be a home away from home for children where they can learn, laugh, grow and have fun at the same time' said, Samina Khanyari, General Manager of the group.

'We work collaboratively with families, connecting deeply to form a caring community where relationships foster security and trust. Our time with you and your child does not stop at pick-up time. You can interact with us on our Face book page where we can continue to guide you through your child's development, answering any questions you may have. Our page also showcases our facilities and vibrant events that are held throughout the year at the Nursery. We also provide you with healthy snack box ideas and recipes, book recommendations, advice, activity ideas to try with your child, as well as updates on the topics we are exploring with the children here at the Nursery. We strength the Parent as Partners belief with our ?Mum and Dad of the week feature? she added.
