

JINS launches Dubai's first Russian-English Bilingual Nursery

Dubai, UAE: [Jumeirah International Nurseries \(JINS\)](#), a leading early education provider in Dubai, today announced the inauguration of the 1st Bilingual Russian-English Nursery branch in Dubai, at Al Wasl. A first of its kind

in Dubai, the Bi-Lingual Nursery was inaugurated by H.E. Gocha Buachidze, The Consulate General of the Russian Federation in Dubai and Northern Emirates, who was also the Guest of Honour for the ceremony. Also gracing the occasion were special guests Mr. Yury Belonoshenko, the Co-Founder of "Baby Club" and Mrs. Shakuntala Mankani, the Founder of Jumeirah International Nurseries.

The JINS Bilingual Nursery is a new innovation in early education inspired by Russia's highly acclaimed "Baby Club" methodology. The Curriculum contributes to careful development of a child's intelligence with teaching methods that comprehensively develop memory, logic, attention, sensation, perception, thinking and imagination. The curriculum is taught by experienced early childhood educators through direct explicit instruction, an interactive teaching methodology which centers around careful development of intelligences namely verbal, logical, visual, linguistic, interpersonal, intrapersonal, nature, and kinesthetic.

Speaking on the occasion, H.E. Gocha Buachidze said "I am extremely pleased to inaugurate the 1st Russian Bilingual [Nursery in Dubai](#) and I believe it will serve the Russian speaking population living in the emirate of Dubai quite well. Many Russians and Russian speaking people are making Dubai their home and this initiative gives them a chance to provide their children an early education that helps them in staying connected to their roots and motherland".

"I would like to congratulate the founder and officials of Jumeirah International Nursery for their effort in bringing the best of Russian early education to our doorsteps in Dubai" he concluded.

JINS, Al Wasl nursery environment has been designed to provide children with an inspirational soothing and eco-friendly setting. Natural light, outdoor play area, sensory rooms, art studio, wood furniture and textures are featured throughout the nursery. Smart boards, computers and tablets, as well as well-equipped resource rooms have been incorporated to support JINS's 21st century learning philosophy of inspiring innovation and igniting children's imagination.

Mr. Yury Belonoshenko, co-founder of Baby Club commented "We are extremely pleased to partner with a reputed brand like Jumeirah International Nurseries, a market leader in Dubai for more than 30 years. Baby Club was set up with a vision to prepare children for the future, in a world that is progressing at a rapid pace, and we are glad to bring our extremely effective and popular teaching methodology to a progressive city like Dubai."

“I would like to wish JINS the very best and hope that more and more parents will take advantage of the Baby Club curriculum and aid in the development of their children” he concluded.

Similar to other branches of JINS, the Al Wasl Branch is open from 7:30am through to 6.00pm, five days a week, transport facility, and offers a transparent fee structure and open visit facility to parents.

Jumeirah International Nurseries is a part of Fortes Education. The new nursery marks an important step in the ambitious growth plans of Fortes Education. JINS plans to double the number of nurseries it operates over the next two to three years, so more of UAE’s children have the best start in life.

The nursery is currently accepting admissions for Academic Year 2015 -16.
